All,

Copies of the Homeowner's and Renter's Guide to Mold Cleanup After Disasters are available in English and Spanish and are at the lab. We received 500 copies of each so each teams can pick up 50 copies of each document (there are 10 teams). I have pulled the copies for Port Arthur and Corpus Christi.

Carol is there an address that I can ship your copies to? May be I can have the lab send them.
